

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

John J. Bassett,

Complainant,

v.

George W. Woods, Jr.,

Defendant.

Case 03-08-013
(Filed August 19, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING
REQUESTING RESPONSE BY DEFENDANT**

This complaint against the owner of a mobilehome park alleges overcharging for propane and electricity. Defendant denies the allegations.

This ruling requests that Defendant George W. Woods, Jr., respond to the following questions:

1. Please identify the company or companies that provide propane to Fernbrook Mobilehome Park.
2. Describe the manner in which the propane is delivered to Fernbrook Mobilehome Park for use by the park's residents (by truck, by other means?).
3. Does San Diego Gas & Electric Company (SDG&E) or any other public utility participate in the provision of propane to Fernbrook Mobilehome Park? If so, please explain that participation.
4. Was the incorrect Electric Energy Charge (\$0.10 instead of \$0.05 per kilowatt-hour) an error made by Fernbrook Mobilehome Park or an error made by SDG&E?

IT IS RULED that Defendant is asked to respond in writing within 20 days of the date of this ruling, with copies of the response sent directly to Complainant and to the undersigned Administrative Law Judge.

Dated December 4, 2003, at San Francisco, California.
